RE:A1,P2 Sector 2B
Certification Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 1, Phase 2 (A1,P2) Sector 2B certification report.

The report provides information supporting U.S. DOE's conclusion that the soil contamination in A1,P2 Sector 2B does not exceed final remediation levels and that the remedial goals have been met. U.S. EPA concurs with U.S. DOE's findings in the certification report. Therefore, U.S. EPA approves the A1,P2 Sector 2B certification report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
